POWERING THE FUTURE OF CONSTRUCTION

Happy National Construction Week!

Where would we be without the people that build the world around us? September 19-23 is National Construction Appreciation Week. BDE would like to say "Thank You" to all of the construction laborers that build our houses, buildings, roads, and highways. We acknowledge your commitment to building our infrastructure even when working through long hours, unfavorable weather conditions, and hazardous locations. We see you, we appreciate you, and we honor you.
